

Summarized Resumee

Name: Vicente Jose Muratore de Lima

Birth: 26/11/1965

Address: Prof. Oswaldo Teixeira , 197
São Paulo – 05617-020
BRAZIL

E-mail: vjml@terra.com.br
vicentemuratore@gmail.com

Education

- 2009- Harvard Dental Implant Course- Harvard University- USA
- 2006- Ankylos Dental Implants- Johann Wolfgang Goethe-Universität Frankfurt am Main
- 2004 Advanced Surgical Procedures in Oral Implantology
Munich- Germany
- 2003- Straumann Education Week- University of Berne- Switzerland.
Dental Implants
- 2002-2006- 2002-2006- Doctorate Course in Prosthodontics at University of Sao Paulo (USP)
Thesis: Prospective study of periodontal and peri-implant parameters from abutments that received an tooth-implant supported prosthesis.
- 2001- Prosthetic Course at Frei Berlin University. Berlin, Germany
- 2000-2002 - Master course in Prosthodontics at University Estadual Paulista (UNESP)
Thesis: Comparative study of flexural resistance and metallurgical micro-Structures from titanium grades I and IV used in Prostheses
Obtained from different casting processes.
- 1992- Dental Implants course- Tufts University- USA
- 1992- Dental Implants course- Institute for Facial Esthetics- Pennsylvania_USA
- 1986-1989 – Dentistry Graduation at University Estadual Paulista (UNESP)

Organizations Membership

Academy of Osseointegration Member (AO)- www.osseo.org

Academy of European Academy Member (EAO)- www.eao.org

International Team for Implantology member (ITI) – www.iti.ch

International and American Dental Research member (IADR) – www.iadr.org

International Courses

2008- 19th Academy of Osseointegration Meeting Meeting at Boston-USA. Feb 28-March 1.

2007- 16th European Academy of Osseointegration Meeting at Barcelona- Spain. Oct 25-27

2007- 18th Academy of Osseointegration Meeting at San Antonio-USA. March 8-10

2006- Ankylos Implant System: Concept, Handling and Indication
Hanau-Wolfgang. Nov 01-02. Germany

2006- 15th European Academy of Osseointegration Meeting at Zurich-Switzerland. Oct 5-7

2006- 17th Academy of Osseointegration Meeting Meeting at Seattle-USA March 16-18

2005- 14th European Academy of Osseointegration Meeting at Munich-Germany

2005- - International Team for Implantology (ITI) World at Munich- Germany

2005- 16th Academy of Osseointegration Meeting at Orlando-USA. March 10-12

2004 Advanced Surgical Procedures in Oral Implantology
Sept 29- Oct 1. Prof Dr. H.P. Webber.
Munich- Germany

2004- 15th Academy of Osseointegration Meeting at San Francisco- USA. March 18-20

2003- 14th Academy of Osseointegration Meeting at Boston- USA. Feb27-Mar 1

2003- International Team for Implantology (ITI) Iberio Congress
Sept 26-27. Lisboa- Portugal.

2003- The Straumann Education Week, University of Berne. Switzerland
March 17-21

2003- 81th International and American Dental Research Meeting – Gotenburg-Sweden. June 25-28

2002- 5th Prowissimo International Implant Symposium at Cologne- Germany. Nov 1-2

- 2002- 13th Academy of Osseointegration Meeting at Dallas-USA. March 14-16
- 2002- 80th International and American Dental Research Meeting- San Diego- USA.
March 6-9
- 2001- Prosthetic Course at Frei Berlin University. Oct 29-30. Germany
- 2001- 4th Prawissimo International Implant Symposium at Hannover- Germany.
Oct 26-27. Germany
- 2001- Ankylos Implant System: Concept, Handling and Indication
Hanau-Wolfgang. Oct 30 and Nov 1. Germany
- 2001- 30th American Association of Dental Reserach- Chicago_USA. March 7-10
- 2000- Prosthetic Course at Frei Berlin University. Oct 4 . Germany
- 2000-78th International and American Dental Research Meeting - Washington-USA.
April 5-8
- 2000- Ankylos Implant System: Concept, Handling and Indication
Hanau-Wolfgang. Germany. Oct 09-10.
- 2000- Ankylos Implant System: Concept, Handling and Indication
Hanau-Wolfgang. Germany. Feb 21-22
- 2000- 3th Prawissimo International Implant Symposium at Munich- Germany. Oct 6-7
- 1992- Tufts University
Surgical procedures for Nobelpharma Implants
Surgery Dept. Nov 6-8, Boston, USA
- 1992- Prosthetic Training program for the Branemark Method. Nov 20-21
Prof. Dr. Thomas Balshi. Philadelphia, USA.

International Publications

Presented abstracts

- Comparative study of flexural resistance and metallurgical microstructures from titanium grades I and IV used in Prostheses obtained from different casting processes. JDR v.82 abst 1029 IADR 2003; Gotenburg- Sweden.

- Immediate post extraction implant placement using a progressive thread design implant system and guided bone regeneration. JDR v.81 abst 3563, p. A-438 IADR 2002; San Diego USA.

- Evaluation of superficial hardness and impact strength of acrylic resin for sclero of Ocular prosthesis. JDR v. 81 abst 719, IADR 2002; San Diego USA.

-Effect of thermocycling on composite resin core-retention to posts. In: In: 30th GENERAL SESSION OF THE AADR - INTERNACIONAL ASSOCIATION FOR DENTAL RESEARCH, 2001, Chicago - Illinois - USA.

Journal for Dental Research. , 2001. v.v.80. p.192 - 192

-Statistical and clinical analysis between different osseointegrated implant systems: 4 yeears study. In: In: 30th GENERAL SESSION OF THE AADR - INTERNACIONAL ASSOCIATION FOR DENTAL RESEARCH, 2001, Chicago - Illinois - USA.

Journal of Dental Research. , 2001. v.v.80. p.212 - 212

-Microstructure and corrosion resistance of the laser welded Au-Pd alloy JDR v.79 abst. 1660, p.351. IADR,2000 Washington, USA

International Lecture

Instalação de implantes ITI TE em alvéolos de dentes recém extraídos. Relato de casos clínicos e concretos sobre o TE. In: 6 Congresso iberico ITI, 2003, Lisboa. (TE ITI implants installation in alveolus from extracted teeth. Clinical Cases e concepts). In: 6 ITI Iberian Congress, 2003, Lisbon. Portugal
